

The background features a series of concentric, glowing blue circles of varying radii, centered on the left side of the frame. Several small, solid blue spheres are scattered across the scene, some appearing to be on the paths of the circles. The overall aesthetic is clean, modern, and somewhat ethereal, with a dark, textured blue background.

“If you read history you will find that the Christians who did most for the present world were just those who thought most of the next.

The Apostles themselves, who set on foot the conversion of the Roman Empire, the great men who built up the Middle Ages, the English Evangelicals who abolished the Slave Trade, all left their mark on Earth, precisely because their minds were occupied with Heaven.

It is since Christians have largely ceased to think of the other world that they have become so ineffective in this.

Aim at Heaven and you will get earth ‘thrown in’: aim at earth and you will get neither.”

- C.S. Lewis
