

The background features a dark blue gradient with faint, light-colored circular patterns. On the left side, there is a large, semi-circular scale with numerical markings from 140 to 260 in increments of 10. Several smaller circles and arcs are scattered across the scene, some with arrows indicating a clockwise or counter-clockwise direction. The overall aesthetic is technical and modern.

- Greater, unlimited power (2-9)
- Leveling final judgment (10-14)
- And I command joy (15)
