

An aerial photograph of a rugged coastline. Dark, jagged rock formations dominate the upper half of the frame, with white foam from crashing waves visible at their base. The water transitions from a deep blue in the foreground to a vibrant turquoise near the rocks. The overall scene is dramatic and powerful.

WITNESS TO THE LIGHT

That which was from the beginning, which we have heard, which we have seen with our eyes, which we looked upon and have touched with our hands, concerning the word of life —

the life was made manifest, and we have seen it, and testify to it and proclaim to you the eternal life, which was with the Father and was made manifest to us —

that which we have seen and heard we proclaim also to you, so that you too may have fellowship with us; and indeed our fellowship is with the Father and with his Son Jesus Christ. - 1 John 1:1-3
