JUDGES 11:29-40

JUDGES 2

- 2:16
 - We see that the LORD himself raised up each of the Judges, so the Judges played a righteous role in this regard.
- 2:17
 - We learn that the people did not listen to the judges. This points to the wickedness of the people, not the leaders.
- 2:18
 - We learn that whenever the LORD raised up a judge, the Spirit was with the judge and the LORD saved the people from the hand of their enemies...all the days of the judge.
- 2:19
 - We see that when the judge died, the people turned back to idolatry and were more corrupt than their fathers.
