

The End of the Matter

Ecclesiastes 12:9-14

Ecclesiastes 12:9-14

- Have these carefully arranged words been a delight for you personally or not? (9-10)
- How have these words prodded you and in what way have they brought peace? (11-12)
- Where are we directed after all Solomon's observations have been made? (13-14)

The Message of Ecclesiastes

- Life can be extremely frustrating because it can't be fully comprehended or controlled. But...God has designed this world so that our pleasure and our pain...our excitement and our exasperation...the things that cause us to marvel and even life's monotony all direct us to find our ultimate fulfillment in Him.
