LUKE
GOOD NEWS OF GREAT JOY

Luke 17:20-37

The King has come and is coming again (20-25)

In between, don't fall in love with this world (26-33)

The King's return in judgment will be sudden (34-37)

Key idea: Since the King has come, we need to embrace his kingdom and resist this world, until He comes again.

Geerhardus Vos

"Our Lord means to teach the questioners not to speculate about a future apocalyptic thing, rather, the coming of the kingdom is a present thing, present in the very midst of those who are curious about the day and hour of its coming."
